

Summary

A Visual Storyteller with demonstrated experience delivering poignant, strategy-driven video content. Skilled in maintaining timelines, making creative decisions, and creating impactful visuals. Proficient in the fundamentals of concept development, pre-production planning, editing, animation / motion graphics, color grading, and sound design. Dedicated to providing top-notch solutions, throughout the production process, ensuring that the outcome meets or exceeds initiative goals.

I bring thought leadership, a sense of adventure, and roll-up-the-sleeves tenacity to every project I work on.
